

QUEEN 2022

Choreography by Sofia Migliaccio
Floorplanning by Anna Hawkins

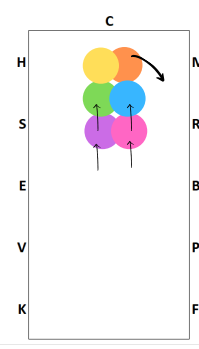

Stand at halt on centre line, half the group facing A, half facing C

DM1 "I want to break free"

Orange ride progressively trot and track left. Purple ride progressively trot and track left.

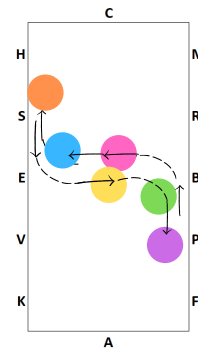

Ride forward in pairs in trot, track right as a ride

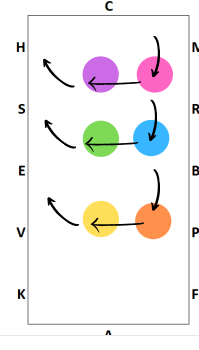

Orange ride, turn left at B then right at E

Purple ride turn left at E and right at B

Pass left to left over X

Turn across arena in pairs at same time and sweep across in half circle

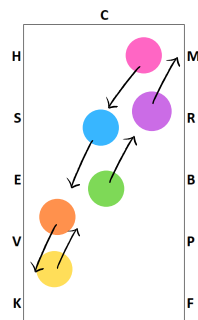

Orange ride, change rein MXK

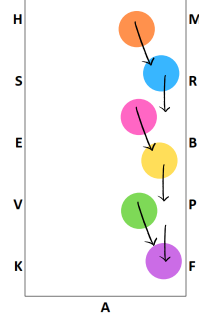

Purple ride change rein KXM

(Orange and purple riders will be riding alongside each other left to left as they come across diagonal)

DM2: High five each other as pass

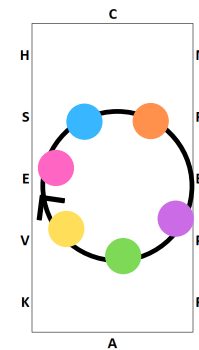

Leg yield into a single file ride

Orange ride, walk, purple ride close up so all as one ride. Track to A, turn up centre line and file out to positions.

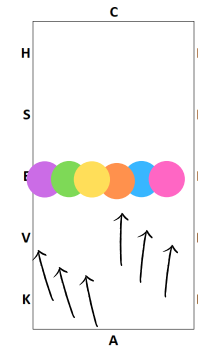

Canter circle around X on right rein

Take position on EB line facing C

Progressively halt & Wheel

DM3: "I've fallen in love"

10. Finish on centre line at half. Final flourish position.
